Competition format, as listed in the current NSF rules 1.4 and 1.5

1.4

Each participating country may enter an unlimited number of individual swimmers in individual events and one team per age group in team events. A maximum of two swimmers per age group and country may swim the finals.

Late entries are allowed until the end of the team managers meeting the day before the competition starts.

All relays must be entered with an entry time (sum of four individual times and no withdraw from relay takeovers)

1.5

The disciplines in the championships are swum in heats and a final. The age groups swim joint heats in each discipline but separate finals. See order of event and start time of each session under "Order of events".

- 800 and 1,500 m freestyle are swum as combined timed finals. 800m/1500 meters the slowest heats will be swum in the morning session and the fastest in the evening. Medals will be awarded in both Junior and Senior age groups.
- Relays in 4 x 100 freestyle, 4 x 200 freestyle and 4 x 100 medley is conducted in two groups; junior and senior. However junior swimmers can take part in senior relays, but senior swimmers cannot take part in junior relays.

Each swimmer can only swim in one relay team in each discipline (junior team or senior team).

Even though a junior swimmer is included in a senior relay, the points earned by the senior relay will still count in the team competition for senior.

- 50m disciplines are swum as open.
- The mixed 8x50m relay is swum so that all swimmers can be juniors but with a maximum 50% from the senior team.
- The relay events are swum only in the finals session.
